**Programme description**

The second cycle (master) studies in Business Management aim at providing the future graduates with a multidimensional, managerial understanding of business, and business organisations. The graduates shall be prepared to serve as managers of the back office support units or consultants for managers in their business decisions making and analysis at any level of an organisation. This program is addressed to the people who possess a creative ability to learn and are willing to put their old and new acquired knowledge content in a new context – that of business organisations. This program is for the people who are prepared to share knowledge, skills, and attitudes with the people who have different backgrounds. The participants (students) will be therefore exposed to diversity in the class, and – during the two year study program – to decision making, and problem solving through participation in business simulations, and projects undertaken in the real
Tuition

The tuition fees are:

- 3200 PLN/year, applicable to Polish and EU/EFTA citizens.
- 2500 EUR/year for students from outside the EU/EFTA, exclusive of an additional 100 EUR charge that covers registration fee (for students of Polish origin the tuition is reduced by 30%).
