

BA in Business Management

Institution	Faculty of Management, University of Lodz
Name of the programme	Business Management
Degree to obtain	BA in Business Management
Duration	6 semesters (3 academic years)
Language of instruction	English
ECTS points	180
Programme description	<p>This bachelor study programme is a comprehensive programme designed to suit the needs of future management support specialists. The programme enables students to acquire knowledge in the field of management methods and techniques as well as skills necessary for successful application of knowledge. The graduates of the programme are qualified to perform roles supporting management functions in an enterprise.</p> <p>The aim of the programme is to create high-potential specialists capable of working effectively in global business regardless of the situation, business location or culture. Students learn and train how to recognize and define business problems and how to address them with different methods and techniques to manage processes in a company.</p> <p>The BA in Business Management programme was generally remodelled in 2011 and has been running in its current shape as of the academic year 2011/2012. The changes have been necessitated by our desire to benchmark current trends in the world of management, and management education. The current course structure offers a holistic approach to management and reaffirms our aims of creating high potential specialists who are capable of working in every business environment.</p>
Tuition	<p>A tuition fee of 3000 PLN per year applies to Polish and the EU/EFTA citizens.</p> <p>Students from outside the EU/EFTA are required to pay a tuition fee of 2500 EUR per year in addition to an additional 120 EUR registration fee. Students of Polish origin pay a tuition fee reduced by 50%.</p> <p>Please check the University of Lodz website for updates about payments.</p>
Deadline for application	15 July 2018
