Name of the programme	Business Management
Degree to obtain	MA in Business Management
Duration	4 semesters (2 academic years)
Language of instruction	English
ECTS points	120
Programme description	<p>The MA in Business Management study programme aims at providing the future graduates with a multidimensional, managerial understanding of business, and business organisations.</p> <p>The graduates shall be prepared to serve as managers of the back office support units or consultants for managers in their business decisions making analyses at any level of an organisation. This programme is addressed to people who possess a creative ability to learn and are willing to put their old and new acquired knowledge content in a new context – that of business organisations. This programme is for people who are prepared to share knowledge, skills, and attitudes with others, coming from different backgrounds.</p> <p>The students will be exposed to diversity in the class, and – during their two year studies – to decision making, and problem solving through participation in business simulations, and projects undertaken in real businesses.</p>
Tuition	<p>A tuition fee of 3200 PLN per year applies to Polish and the EU/EFTA citizens. Students from outside the EU/EFTA are required to pay a tuition fee of 2500 EUR per year in addition to an additional 120 EUR registration fee. Students of Polish origin pay a tuition fee reduced by 50%. Please check the University of Lodz website for updates about payments.</p>
