Poland

Łódź
Lodz, the former textile industry empire, today is a city of modern technologies, a city of culture and grand events. It is a metropolis where a landscape of industrial architecture mixes with silhouettes of the 20th century office buildings, production halls, culture and sports buildings.

- Lodz is situated 125 km away from Warsaw.
- **Lodz is one of the largest cities in Poland (3rd place).**
- In 1423 King Władysław Jagiełło granted city rights to the village of Łódź.
- The city’s name translated literally means “a boat”.
The University of Lodz

- Foundation date: 1945
- Number of students: 40,000
- Academic staff: 2,280
- Number of international students: 1,100
- The University of Lodz is one of the biggest and highest ranked universities in Poland.

Mobility Direct Program

It is a new academic project for partner institutions of our University which is addressed to BA and MA students who wish to participate in one semester exchange at our University, free of charge for the period of studies.

In October 2014 – **180 students** from Kazakhstan, Ukraine, Russia, China etc. are coming for one semester exchange. (2013/14 – total number was 194).

**A participating student is able to:**
- Spend a part of degree programme in a foreign country, in an international academic environment
- Discover a different country’s educational system
- Improve foreign (eg. English) language skills
- Learn customs, history, and traditions of a foreign country
- Make new friends and have an unforgettable experience
The number of international students is growing each year.

In 2013/14 academic year, the UL has received over 1000 students within full time studies and one semester exchange programs combined together.

Most of them are from: Belarus, Ukraine, China, Kazakhstan, Russia, Turkey, Spain.

Number of international students at the University of Lodz
The School of Polish for Foreigners

The School of Polish for Foreigners at the University of Lodz is the biggest and the oldest school in its category in Poland. It has been in operation since 1952.

It arranges basic Polish language courses as well as specialized Polish language courses for history, geography, biology, chemistry, physics, mathematics, and philosophy.

Students can enroll in one-month, five-month or nine-month courses.
Accommodation/Facilities

It is available in one of the University’s 10 dormitories. Students live in twin-bedded rooms and have a direct access to a kitchen and shower.

Centre for Sport and Recreation

It offers different kinds of sport activities: Swimming pool, indoor basketball, volleyball and handball courts, aerobics room, and a gym.
