The School of Polish for Foreigners is the oldest institution in Poland specializing in teaching Polish as a foreign language since it was established in 1952. It offers Polish courses at all levels of proficiency and degrees of intensity. The 9-month preparatory course is designed for students willing to prepare for medical, technical, economic, agricutural and humanistic studies in Poland. After completing preparatory course listeners are accepted at majority of Polish Universities without the entrance exam. For questions, please contact sjpdc@uni.lodz.pl.

The University of Łódź has one of the largest and most modern libraries in Poland with 3 million volumes.

There are over 95 nationalities found at the UL! Together with our lovely students we create a diverse multicultural and multigenerational community, thus drawing on the best traditions of our city. The University of Łódź builds academic community around the values of respect for cultural, religious and community identities as well as social sensitivity. #UniversityDiversity

United in Diversity
Our diplomas are recognized in all countries of the European Union. We are United in Diversity!

There are 95 nationalities currently found at the University of Lodz – over 7,500 international students each academic year. Our University builds academic community around the values of respect for cultural, religious and community identities as well as social sensitivity. UL strives to educate active global citizens who think critically, under the complexity and the diversity of perspectives which underline most global problems.

There are also BA and MA programs taught in English. The latest top student choices are Computer Science, Business Management, Economics, or International and Political Studies (i.e. with specializations International Marketing, Asian Studies), but we have a lot more (including: Intercultural Communication, Management and Finance, and Earthology).

For more details, please check:

www.iso.uni.lodz.pl > Studies in English

For admission, please go to:

www.admission.uni.lodz.pl

BA, MA and PhD programmes are held at the University’s 12 Faculties:

• Faculty of Biology and Environmental Protection
• Faculty of Economics and Sociology
• Faculty of Philology
• Faculty of Philosophy and History
• Faculty of Physics and Applied Informatics
• Faculty of Chemistry
• Faculty of Mathematics and Computer Science
• Faculty of Geographical Sciences

Full-time students (within MA, BA or PhD programs) are also eligible to take part in EU student exchange program called Erasmus+ and have a possibility to spend a semester or a year abroad on full scholarship in one of 30 European countries.

Bilateral exchange

Students studying all over the world at partner universities of the University of Lodz are welcomed to take part in one in a semester or one year free of charge mobility program in the framework of bilateral agreements. The only requirement is that the partner universities have a signed agreement.

Pay less or study for free

Those who can study for free (on similar terms as the locals), include citizens of the EU/EEA countries, holders of the Pole’s Card (Karta Polaka), and some other categories (check our website). Foreigners can also apply for the Polish Government Scholarship, which allows them to study free of charge or with a scholarship.

University of Lodz discounts tuition fee by 50% for non-EU countries listed at our website – check out if you are eligible this year! A 50% discount also applies to Polish origin worldwide. Contact us at admission.uni.lodz.pl

Info on governmental scholarship:

www.nawa.gov.pl

Tuition fee:

2000 – 3000 EURO a year, additionally 120 EURO administrative fee

Poland, a country with a population of 38 million, a member of the European Union. Host of many international sport events. Located in Central Europe, its neighbors include Germany to the west, and Ukraine to the east. Poland faces the Baltic Sea in the north, and its capital city is Warsaw.

Lodz, situated 235 km away from Warsaw, is Poland’s third largest city with a population of 734,000. The city is easily accessible from any part of Poland and Europe (by plane, train or car). Lodz is proud of its 19th century industrial history. The city attracts tourists with many festivals and cultural events that are held annually, among them Fashion Week Poland, International Design Festival, Light Move Festival, film festivals and many others.

Lodz is a major academic center in Poland with many higher education institutions. There are almost 200,000 students in the city and 95 different nationalities present at the University of Lodz alone.

Full-time students (within MA, BA or PhD programs) are also eligible to take part in EU student exchange program called Erasmus+ and have a possibility to spend a semester or a year abroad on full scholarship in one of 30 European countries.

Mobility programmes

If the EU is not enough, you can go on exchange to study with a high amount scholarship in Latin American countries or East European countries (e.g. Azerbaijan, Georgia, Ukraine, Belarus, Moldova, Armenia) within Credit Mobility Programme or Mizutani Scholarship in Japan.
